Opening shot shows stoners sitting around in a heavy haze.

STONEY

Hey, going for a food run, anyone want anything.

BUD

GANJA

MJ

Yeah, blah blah blah

Everyone mumbles out very hard to understand complicated orders and he doesn't even attempt to write anything down.

BUD

Shouldn't you write it down?

STONEY

Nah, its cool. I got it.

Everyone laughs.

DRIVE THRU

Car arrives at the drive through.

WENDY

Hi, this is SquareBurger, may I take your order?

WENDY

Hello?

WENDY

May I take your order? Go ahead when you are ready?

Stoney who is just smiling and looking at the menu with the window up. Wendy finally stomps out to the car and smoke billows out the window as it opens. But he only opens it a crack in a poor attempt of not letting the attendant smell the smoke.

STONEY

Sorry, can I get...

WENDY

Let me get back inside to take your order, please.

STONEY

I would also like...

INT. SQUAREBURGER

WENDY

We got a stoner. He is the last customer. He keeps mumbling stuff that I can't understand.

Wendy holding the headset out in front of her so people can listen and laugh at his discombobulated communication.

STONEY

And add some...

He pauses, then hears laughter cut in and out of the intercom, then there is an uncomfortable silence for a minute.

WENDY

Is that everything?

STONEY

Oh, some ketchup packets.

WENDY

OK, so that's 550 chicken cubes, a bunch of Super Square Fries, green tea, and some ketchup.

STONEY

Yeah, that's good.

WENDY

OK, your order comes to \$1200 and 65 cents.

Stoner is oblivious and pulls around to the window.

Scene cuts to the cook and cashier Shaking dandruff on the fries, gargling his soda, etc.

COOK

Don't forget the ketchup.

Stoney rolls down window so dramatically that he breaks off the window handle and so now only about 1 and 1/2 inch gap of the window is open. Stoney cannot get his food through the 1 1/2 inch gap.

Since he parked too close this time, Stoney moves to open the door only to find that it's obstructed by the curb and can't get his food that way either.

Where upon Stoney reaches as much of his hand that he can get

through the window in order to grab the Wendy's bag and drives off.

STONEY  
(he drives with the bag outside  
the window)

INT. STONEY'S CAR

Stoned guy is fumbling with clutch as his right hand is holding the take out bag and his left is steering and shifting gears. A cop passing on the other side of street takes notice of the bizarre scene and proceeds to pull him over.

INT. POLICE CAR

Cop: Well looky here. Gillian to home base: we have a double boggie here. over.

EXT. STONEY'S CAR

Cop: License and registration please.

Stoned guy: (paranoid)...Uh, err. Yes sir officer...um....(Nervously Looks at Wendy's bag, then looks at glove compartment, then looks back at cop.)

Cop stares back, you can see stoned guys reflection in the cop's aviator glasses and a tooth pick protrudes from the Cop's mouth slightly moving up and down as he chews on it observing Stoney.

Stoned Guy: Um, I need to get out first.

Cop: Okay, come on out.

Stoned Guy opens door proceeds to get out still holding Wendy's bag against car window. Stoned guy is very visibly nervous.

Deputy searches his car and finds food and both cops eat while they make Stoney take an impossible sobriety test that he passes effortlessly.

During the test workers from fast food place drive by yelling at the stoner and laughing.

COP

COP

Deputy shits in the empty food bag and places it back in the car.

Stoner drives off and smells the shit and decides to make the best of the situation. He pulls over runs up to a front porch and lights the bag of shit on fire. Rings the doorbell. Runs.

EXT. WENDY'S HOUSE

Cook and Wendy answer the door in role playing sex costumes and stomp out the shit bag cursing afterwards.

Stoney arrives home empty handed but no one cares they forgot they sent him and ordered pizza that arrives at the same time.

STONEY  
I couldnt get the food....

MJ

DING DONG

MJ

ALL  
Nice.

Pizza guy realizes its a stoner party. Looks at the \$10 bill and rounds it up to \$25.

-----

Key to this skit is the happy go lucky stoner and I think the actual spoken lines are pretty obvious.
